

February 28, 2023

We have some exciting news to share with you! The Daniel Springs website and registration system is undergoing a complete overhaul and we can't wait to unveil it soon. There are still some tweaks we must make to the website but wanted to get the new registration link open for the National GMA Camp on March 2, 2023. We know that it will take some getting used to for all parties involved, but we truly believe this new system will allow us to better serve YOU!

We do ask that you first watch the instructional video found at <https://youtu.be/vQ7jGAXVj3M> to familiarize yourself with the new process. Once complete, you may request your camp spots at [Http://cwngui.campwise.com/Custom/danielsprings/browser-check-conf.html](http://cwngui.campwise.com/Custom/danielsprings/browser-check-conf.html). All requests will then be forwarded to the camp office, and once approved, the group leader will receive an email within 24-48 hours with further instructions.

Our new system will require each participant (both camper and sponsor) to create individual logins where they will fill out all their information- demographic and medical. These accounts will allow you to return each year and just update any information that changes like grade camper is in or shirt size. We will no longer have paper medical releases that you must bring – it will all be online!! To receive regular registration pricing and a camp shirt, please make sure all your participants complete their online registration before the late registration deadline – which is May 28, 2023. The new system will allow you to pay for your spots by credit card or check, which means we will no longer take any registrations through the mail to simplify our process. Please note regular pricing is \$165 and late pricing is \$200 per attendee.

We do have one more change that comes with our new system. We will no longer be using our previous child safety training course. We will now be working alongside Protect My Ministry for all our training and background check needs. This system does not currently allow for sponsors to add their own form of payment for items. The church will be invoiced for the background check and training of all sponsors they are bringing. It will be up to the church if you request the sponsor reimburse the church. State requirements have stayed the same- all sponsors will need a background check every year and training every other year. Unfortunately, as with everything else, pricing has increased a little (background check-\$10 and training-\$4). If you need to know if one of your sponsors is due for their training this year, please email sponsors@danielspringscamp.com with their full name and email address.

We appreciate your patience and cooperation as we kick-off the 2023 Summer Camp Registrations. If you have watched the registration tutorial but have questions that were not addressed, please contact the office or jessica@danielspringscamp.com. There is also a live chat available for assistance with registration requests on the registration link listed above between 8:30am-5:30pm EST, Monday-Friday.

We can't wait to see you this summer!

The Daniel Springs Staff
